Snooky – Harry – Bunch: –

Of all the generous –.

You are the most generous!
I always knew you would give
me everything you have,
but really, harry, you
must not be so good-natured
Especially when it comes
to handing out free –
absolutely at the cost of
nothing – a perfectly good,
though slightly second
handed. – – –

I placed it on his desk in a ~~x~~ bottle.

I shall see you to-night so I shall close with all my love to my husband

from

(Mrs.) Frances G. Freedman.

now, guess what! I am this right a "dolly"!

Received my check this morning and feel as though I were a multi-millionaireess. Fancy having over a 100 dollars in my pocket. Think I strolls out and look up my friend "Rocky".

Just was handed a rose - a beautiful pink one. Told Mr. Swallow I'll give him the privilege of smelling it when I get home.
